Dear Thane:

Congratulations on that excellent find you made earlier this week. Let me assure you that the results of your efforts have been reported to senior officials in our government who once again are impressed with what photo interpretation is doing to support the national security effort.

Excellent work like this doesn't happen by chance. It is the result of hard work, thorough analysis, and experienced professionalism. I commend you for your efforts.

Keep searching.

Sincerely,

[Redacted]

Arthur C. Lundahl  
Director

National Photographic Interpretation Center
